COST: \$100 (scholarships available)

This retreat is designed specifically for Confirmation & Middle School Students in Grades 6-8!

During this weekend retreat, youth will learn how the disciples left everything they knew and followed Christ. This was a bold movement motivated by faith in Jesus. In the same way, God calls us to boldly follow Him and shine His light for others to follow. Lifequest participants will leave with a better understanding of what it means to **boldly follow the Lord**.
